SECTION C — AUTHOR DECLARATIONS

We, the undersigned author(s), hereby solemnly declare and certify the following:

1. **Originality & Prior Publication-** The manuscript titled above is original, unpublished, and has not been submitted simultaneously to any other journal or publication venue. It has not been previously published in any form, including conference proceedings, preprint servers, or institutional repositories, except where explicitly stated and cited.
2. **Citation Integrity & Intellectual Attribution Liability-** The author(s) declare that all concepts, theories, frameworks, models, methodologies, and intellectual ideas drawn upon in this manuscript have been duly acknowledged and accurately cited in accordance with accepted academic referencing standards. In the event of any dispute, claim, or allegation arising from the use, misattribution, misrepresentation, or inadequate citation of any concept or theory — whether raised by the original theorist, rights holder, institution, or any third party — the author(s) shall bear sole and unconditional responsibility. The journal, its editors, and publisher shall be held entirely indemnified from any such dispute or liability.
3. **Conflict of Interest-** We declare that there is **No** conflict of interest related to this manuscript.
4. **Ethical Compliance-** The research was conducted in accordance with applicable ethical standards and guidelines. Where human subjects, animals, or sensitive data are involved, relevant institutional or governmental ethical approvals have been obtained.
5. **Use of AI Tools -** ■ No AI writing / content tools were used in the preparation of this manuscript. ■ AI-assisted tools were utilised in a minor capacity (≤10% of total research work).
6. **Assignment of Copyright & Intellectual Property Rights-** The author(s) hereby irrevocably and unconditionally assign and transfer to Research Reinforcement the entire copyright, all allied and neighbouring rights, and all other intellectual property rights in and to the accepted manuscript —including but not limited to the exclusive rights to publish, reproduce, distribute, transmit, display, perform, adapt, translate, create derivative works, sublicense, and archive the work in whole or in part, in any language, in all current and future media, formats, and platforms, whether in print, electronic, digital, online, or any other form yet to be developed — for the full duration of copyright protection and any renewals or extensions thereof, throughout the universe. This transfer becomes effective upon formal acceptance of the manuscript by the editorial board of Research Reinforcement.
7. **Honorarium-** The author(s) unconditionally waive all claims to monetary honorarium, royalties, or financial compensation of any kind arising from the publication of this manuscript. Provision of a complimentary journal copy to the corresponding author, where applicable, shall be the sole benefit extended, strictly subject to journal policy.
8. **Responsibility for Content-** The author(s) accept full responsibility for the accuracy, integrity, and originality of all content, views, opinions, and conclusions expressed in the manuscript. These do not necessarily represent the views of the journal or its editorial board.
9. **Plagiarism & Academic Integrity-** The manuscript has been checked for plagiarism and complies with accepted academic integrity standards. Proper attribution has been given to all sources cited.
10. **Funding & Acknowledgments-** All sources of funding for the research have been disclosed within the manuscript. Any financial support from public, private, or non-profit organisations is acknowledged.
